## The Friends

### Give thanks

- For the way we are challenged to consider how to love with a family affection our Christian brothers and sisters here (and back in Australia!)
- For a wonderfully refreshing and relationally rich holiday in Europe.
- For God's hand over Anna's accident involving her front teeth, the timing of a trip to Tana, the availability of a good dentist and her resilience during a tooth extraction.
- For two weeks of teaching (the Synoptic Gospels with First Years and Biblical Theology with the wives of the students) - for all God has taught about the life we can have in the Lord Jesus.
- For God's sustaining and blessing of us these last two years of serving him in Madagascar.

### Please ask

- On Tuesday, Adam travels (by plane, then 12-hour bus) north-east to Toamasina to teach Romans - pray for safety in travel, clarity in speaking and for changed hearts and lives in an area particularly challenged by the prosperity gospel.
- For creativity and clarity for Adam in teaching a ten-week online Biblical Theology course.
- For the re-development of a women's health education curriculum that Avril is assisting - particularly for biblical clarity in a culture that doesn't value sexual purity - pray that through it, young women would see the mercy and grace of God as they learn about their bodies.
- For continued effort in language learning, particularly that we wouldn't be too 'entangled' in other responsibilities that we forget our primary focus in this season on language and culture learning. Keep praying too, for Caleb and Anna navigating the challenges of French as well as Malagasy in their relationships.
