## Gospel Church

The beginning of a new year is an opportunity to reflect on the past and allow the past to shape how you live this year. Many people make New Year's resolutions as a means of inspiring themselves to live healthier, to make wiser decisions, and to improve their overall well being. As Christians we are moved by God's Spirit to consider the new year in terms of our faith in Jesus, our determination to live by God's word, and our commitment to church.

Our sermon series that begins today and will take us through to the end

of March is titled 'The Church: Yesterday, today, and tomorrow'. It will give us the opportunity to think about the state of the church throughout the world, our country, and the Southern Highlands. In addition to this, we'll also consider why we run the ministries that we do, why our gatherings are both traditional and modern, and why every element of church is purposefully focused on the gospel of Jesus.

Today we'll reflect on the language we typically use to describe church as 'our church', 'your church', and 'my church', but in order for this to be a gospel church, we must continue to remember that we only gather together because of Jesus, we are only called the church because of Jesus, and we only exist as the church because Jesus is the saviour, Jesus is the Lord, Jesus is the chief shepherd, and because Jesus 'bought the church with his blood' (Acts 20:28)
